Dear Parents, Guardians, and Caregivers:

Greetings! It's hard to believe that summer is over. But on behalf of the faculty and staff at Saint Mary's, welcome back to all our returning students and their families. For those of you who are new to our school, we are so happy that you chose Saint Mary Star of the Sea School.

You have received a number of forms in your weekly Family Folder. These must be filled out and returned to the office as soon as possible, but no later than September 11th: Most forms are in Section 8 of the Parent-Student Handbook. Please read the Parent-Student Handbook with your child. Complete the form in Section 8 after you have discussed the contents of the handbook with your child, and return the signed form to the office.

In addition, the following forms, located in back of the Parent-Student Handbook, must be completed and returned to the office:

- Parent and Student Internet Permission Form and User Agreement
- Picture Consent 2008-2009
- Transportation Information

Most importantly, please complete an Emergency Contact form for each of your children. We rely on this information to contact you in case of an emergency, so please make sure that the telephone numbers are working numbers. This information should be updated throughout the year if you move or there are changes to your telephone numbers, cell phone numbers, etc.

St Mary Star of the Sea School welcomes our new teacher.
